Santa Lucia LFR Newsletter

Volume 2, issue 5 May 1st, 2006

We'd like to send many thanks to Kim Johnson and Tanya Kliefoth of the Latin Connection Newspaper for their awesome article on Santa Lucia LFR in the very impressive front cover of the April issue. Cheers girls, keep up the good work!

STL FEATURED AT THE CBC STUDIOS!

March 3rd, 2006 – Not a nightclub, not a bar, not a hall, not a restaurant, but the corporate world!

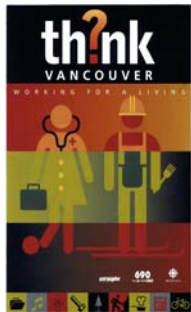

Santa Lucia LFR recently played a completely different kind of venue – the TGIF party that was part of the CBC's

"*th?nk Vancouver*" week. Along with intermittent performances by the band in the CBC's Studio 45, the evening featured live radio broadcasts with *On the Coast* host *Priya Ramu*, tours of the CBC building and a buffet dinner.

News anchor *Gloria Macarenko* introduced Santa Lucia LFR for the last performance of the night, closing the evening for more than 300 guest with a fabulous rocking experience in the big studio. This performance was recorded live and broadcast coast to coast, so if you are a CBC listener you may have heard it on the radio.

Our thanks go all the way to our listeners in PEI who purchased some of our music on line after hearing it on CBC radio. We hope to play for the people on the Atlantic Coast sometime soon!

SANTA LUCIA MAKING ROOTS IN THE COMMUNITY!

April 8th, 2006 – It seems that every time Santa Lucia visits a new town, local people don't know at first what to make of the band, but when the music starts the atmosphere instantly becomes like a welcoming block party. This happened again when we played *The Club* in Gibson's Landing on the beautiful Sunshine Coast. Warm, fun-loving people of all ages came out to dance and party in a special way. *The Secret Garden Bed and Breakfast*

where some of us stayed was a wonderful relaxing retreat, and the *Bonniebrook Lodge Bed & Breakfast* a charming 1920's ocean-side lodge was fantastic. Thank you to both our B&B host Darcy and Barbara.

We even took the time to eat dinner before the show at one of the many little restaurants along the pier. The staff at *The Club* was super, and a big thanks goes to Michael for the good treatment and to Peter for the great sound. Also, we'll never forget the delicious shephard' pie & yummy cheese cake Rhian made for us at the end of the night. We look forward to coming back soon to the Sunshine Coast to play for the people there.
